DIFFERENT WORKS

■ RLI Transportation

A division of RLI Insurance Company

RLI Transportation is rated A+ (Superior) by A.M. Best and combines our extensive experience in the trucking field with an unsurpassed ability to create innovative solutions to meet the needs of our insureds.

Our line of coverages include:

- Truckers auto liability for revenue units
- Business auto liability for private passenger and service vehicles
- Trailer interchange legal liability
- Non-trucking auto liability
- Contingent/brokerage auto liability
- General liability
- Physical damage
- Cargo-legal liability
- Contingent cargo
- Excess auto liability

Our underwriters are experts at handling trucking risks and designing financing alternatives to fit your budget requirements — through deductibles, self-insured retentions, basket retentions and loss sensitive programs.

Our services keep you rolling — safely, efficiently, economically

Year after year, our customers return to us because of the unparalleled service and savings they've received through our coverage, claims and market expertise. From our centralized operations in Atlanta (marketing, underwriting, claims and billing) we work directly with you — economically, conveniently and effectively.

Whether your needs are superior claims service or timely processing of financial responsibility filings, our staff's attentiveness to your needs shows that we look after your business, just as we do our business. That's because your business is our business.

CLAIMS HANDLING

Despite the best safety practices, accidents will happen, and that's when RLI Transportation is at its best for you. We make it a priority to resolve your claims quickly and equitably.

Our claims staff and services defy comparison. RLI Transportation claims handlers are experts in the trucking field, serving as an advocate of your interests, even through litigation.

Claims can be reported 24 hours a day, seven days a week through our toll-free number. We react immediately: alerting you, contacting the claimant, and working to resolve the case.

RLI Transportation also serves as third-party administrator for self-insured operations.

LOSS CONTROL

Your job is to be on the road, and our job is to keep you there. We do so by suggesting methods of reducing the frequency and severity of accidents.

Our loss-control professionals help identify vulnerabilities in your operation, from hiring and management policies to compliance and in-house training. Then, we recommend methods of improving procedures and minimizing exposures.
